Print Security and *Your* Company's Security

Are you protected from potential cyberattacks?

Do your employees have unregulated access to sensitive information?

What if your printing could be more secure?

Today, protection from cybersecurity on all networked devices is ultra critical. Gray & Creech provides multiple solutions to help organizations meet the highest levels in print security, plus the right tools to keep your organization compliant.

More than

42%
of organizations

REPORTED AN IT SECURITY BREACH IN THE LAST 12 MONTHS.*

54%
of workers

SCAN OR PRINT A COMPANY'S CONFIDENTIAL INFORMATION.*

61%
of organizations

SUFFERED DATA LOSSES DUE TO UNSECURE PRINTING PRACTICES.*
