

Powerfully productive. Extraordinarily efficient.

The HP Color LaserJet Enterprise X500 and X600 Series are the most advanced and customizable HP A4 LaserJets. Paired with managed print services, these printers enable the modern workplace by powering digital workflows, cloud-connected document management, security, and sustainability solutions to meet your business needs.

Customizable and scalable solutions

Flexible printer configurations and easy to scale solutions to meet evolving workforce needs and optimize workflows.

Fast and seamless digitization

A powerful collaboration hub, making document digitization easier with incredibly fast scanning and cloud-based solutions.

Everything you expect from an office printer (and more)

Advanced workflow solutions coupled with copier capabilities makes these fully-featured A4 printers the best choice for all your workgroup needs.

Always on guard with HP Wolf Security¹

HP Wolf Enterprise Security provides the world's most secure printing² that protects, detects, and adapts to new threats.

Designed to make a statement

Modernize your workspaces with elegant designs and choose from six color panel options to match your office décor.

Meet the managed MFPs and printers

We'll help you find the perfect fit

Contact your HP Account Manager who can help you determine the best devices and configurations to optimize your workspace.

¹ HP Security is now HP Wolf Security. Security features vary by platform, please see product data sheet for details.

² HP's most advanced embedded security features are available on HP Managed and Enterprise devices with HP FutureSmart firmware 4.5 or above. Claim based on HP review of published features as of February 2023 of competitive in-class printers. Only HP offers a combination of security features to automatically detect, stop, and recover from attacks with a self-healing reboot, in alignment with NIST SP 800-193 guidelines for device cyber resiliency. For a list of compatible products, visit hp.com/go/PrintersThatProtect. For more information, visit hp.com/go/PrinterSecurityClaims.

³ HP Color LaserJet X57945 is available WW with the exception of the EMEA Market. X58045 is available in EMEA only. Contact your Print Category Representative for details.
